

The Trojan War

Thetis and Peleus get married

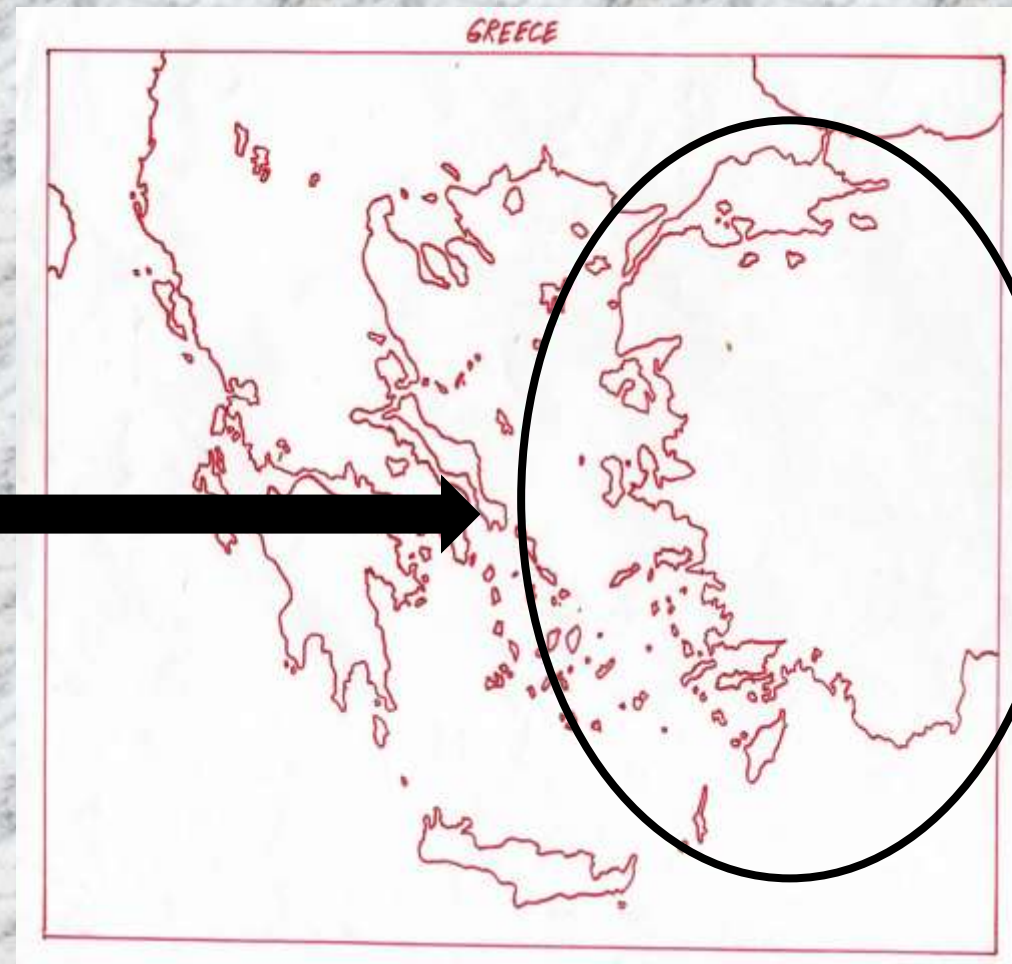

Eris, goddess of strife, arrives

Hera, Athena, and Aphrodite fight

Hera offers Paris all of Asia Minor

Athena offers Paris wisdom

Aphrodite offers Paris love

Paris visits Menelaus, king of Sparta. He also meets Helen (Menelaus' wife)

Hey.

Hi.

Hey,
hey, hey

He's
dreamy ...

Paris steals Helen (and gold); returns to Troy

Daddy, look
what I
brought
home . . .

Menelaus is angry . . . Prepares for war against Troy

He gathers his army . . .

He asks Agamemnon for help . . .

He asks Odysseus for help . . .

And so begins the 10 year saga of the Trojan War

Athena tells Odysseus how to win the war

Victory!!!!

Poseidon kills Laocoon before he ruins the plan

The Greeks win the war!!!!!!!

Odysseus tells Poseidon he doesn't need him anymore

You're breaking up with me?

But I helped you win. Without me, you're nothing

Is that so? Well then . . .

'Fraid so.

Yeah . . . About that. I could've done it on my own honestly.

Poseidon's mad. Vows to make Odysseus' life miserable, and so begins the Odyssey

Try doing
this on
your own!
