

## Grade 11: Unit 1: Required Writing Assignments tied to “Joy of Reading and Writing: Superman and Me” by Sherman Alexie

### Argument/Narrative:

In “Superman and Me,” Sherman Alexie quotes the advice he offers to disaffected Indian students: “ ‘Books’, I say to them. ‘Books’, I say.” Write an **essay** explaining whether you agree or disagree that this is the best advice Alexie could offer this group of students or any disaffected group of students today. Calling on personal experience, use anecdotal evidence to support and illustrate your position.
